

AIRBUS

# Wire Avoidance Seminar

A free event that will benefit all operators in the L.A basin.

**2019** was such a success we decided to do it again and this time it will be even better!

**Southern California Edison** Air Ops will again host a **Fly-In** event at our facility at Chino airport. Please join us and learn how to survive in the Wires Environment.

**When:** Saturday Dec 14, 2024 from 9 am to 2 pm.

Description: Join us as we discuss wire strike accidents and what you can do as a pilot to avoid them.

The event will be hosted at SCE Air Ops hangar at Chino airport.

**There is limited space on the ramp so please register early if you plan to fly in.**

We have plenty of parking available if you chose to drive.

FAA will provide Wings Credit

**Please register with SCE Air Ops:**

<https://forms.office.com/r/2cGpTkkqk1>

**Guest Speaker:** Steve Buhagiar & David Sidorski – “Today is not the day”

**What you learn here could save your life!**

Refreshments and lunch will be provided.

**Join us as we work together for a safer helicopter community.**

**Address:**

Chino Airport  
7000 Merrill Ave  
Bldg A-290  
Chino, Ca 91710

In case of questions, and **Fly In** information, please contact:

Torbjorn”TC”Corell – Chief Pilot
